### **Student Right-To-Know**

Student completion & graduation rates are published annually in the FFCU *Academic Catalog*. In compliance with the Student-Right-to-Know Act of 1991, FFCU reports the following graduation and retention rates.

### **Retention Rates for First-Time Students Pursuing Bachelor's Degrees = 50%**

Retention rates measure the percentage of first-time full-time students who are seeking bachelor's degrees who return to the institution to continue their studies the following fall. It does not include student who have transferred in from other institutions or part-time students. Please note that most FFCU undergraduate students are transfer students and we have a very low number of full-time, first-time degree seeking students. The rate is the percentage of first-time, full-time students who began studies in Fall 2019 and returned in Fall 2020.

### **Overall Graduation Rate**

Known as the "Student Right to Know" or IPEDS graduation rate, this rate tracks the progress of students who began their studies as full-time, first-time degree- or certificate-seeking students to see if they complete an academic program within 150% of "normal time." Most FFCU undergraduate students are transfer students, and we have a low number of full-time, first-time degree seeking students. This can cause dramatic swings in this statistic.

Year started	Number in cohort	Number of Completions	Average Graduation Rate
2010	4	4	63%
2011	3	2	
2012	1	0	
2013	2	1	
2014	1	0	

**Jeanne Cleary Disclosure of Campus Security Policy and Crime Statistics Act –**

FFCU reports campus crime statistics each year to the Department of Education. Students are entitled to receive a paper copy of this information, and the information is also available to prospective students, current employees, and prospective employees upon request.
